

# *The Blessing of Forgiveness*

*May you come to know forgiveness and what it is to be forgiven.*

*May the wisdom of forgiveness flow into you.*

*May you see the truth of forgiveness as an act for you not for the party being forgiven.*

*May you see that as you forgive, justice can flow and healing can happen.*

*May you be blessed with the amazing feeling of knowing that you are forgiven and the even more amazing feeling of knowing that you have given forgiveness.*

*May you come to understand the flow and ebb of forgiveness from the smallest affront to the greatest injury.*

*May you always flow in forgiveness.*

*May you come to understand the wisdom found within the space of forgiveness.*

*May you grow strong and give forgiveness more and more until it become second nature.*

*Finally may this blessing of forgiveness give you peace, that you are forgiven and that you have given forgiveness, a beautiful synergistic forgiveness.*
