

Ministry of Mercy has 21 Aspects

As we travel this road together to understand the merciful heart of the TRINITY and the deep call to the Ministry of Mercy, we will examine the first 7 of the 21 aspects that make up this ministry. As each opens to us, we will travel deeper into the merciful heart space of the TRIUNE UNCREATED ONE.

4th Aspect: Extend

In this aspect – Extend - we will begin to see the plan for the interwoven ministry between ourselves and Father. As we study Extend, we will find an extra resource to help us carry out the task that Father gives us within the ministry we have decided on, the Ministry of Mercy. This resource will help us move into the overcoming space and allow us to be vessels of mercy in areas that would challenge us to the point of breaking without this aspect- Extend. With this aspect - Extend - Father's energy flows into us and Father's heart flows through us as we are surprised by how far we can reach because of this resource coming from this aspect- Extend - giving us the ability to do the extraordinary inside the ministry we have decided on, the Ministry of Mercy.
