REVERENCE

5th Aspect: Reverence

As we move deeper into the Ministry of Mercy, we find the place of the sacred trusts that are given in each ministry. The first is always Agape, yet the aspect of Reverence runs a very close second. From this aspect we begin to see the sacred call this ministry has to be YESHUA's, hands, feet, voice, human component; to express the mercy that is pouring from the throne to all creation. This aspect of Reverence shows us and open us to the feeling, the longing the TRINITY has for creation. All creation is treated with reverence even the uncommonly strange and different. With the in powering of the TRINITY, you will minister in this sacred trust energy of Reverence, as you minister in the ministry you chose, the Ministry of Mercy.
